ALBUM ESTUDIO 3
con PEPE GALLINATO y las lolas y lolos de MUSICA LIBRE

HISTORIA DE LOS INSTRUMENTOS MUSICALES
DANZAS POPULARES Y RITMOS BAILABLES

A NUESTROS AMIGOS...

... que nos ven diariamente a través de la Televisión y nos aplauden en nuestras presentaciones personales a lo largo de Chile; entregamos este cariñoso saludo en forma de Album.

Estas páginas se irán llenando de imágenes de los lolos y las lolas más destacados del Ballet "Estudio 3", a los cuales conoces bailando e interpretando las canciones que tú has hecho popular. Desde ahora este grupo humano de jóvenes como tú saltará desde las pantallas de Televisión para estar junto a tí en este Album.

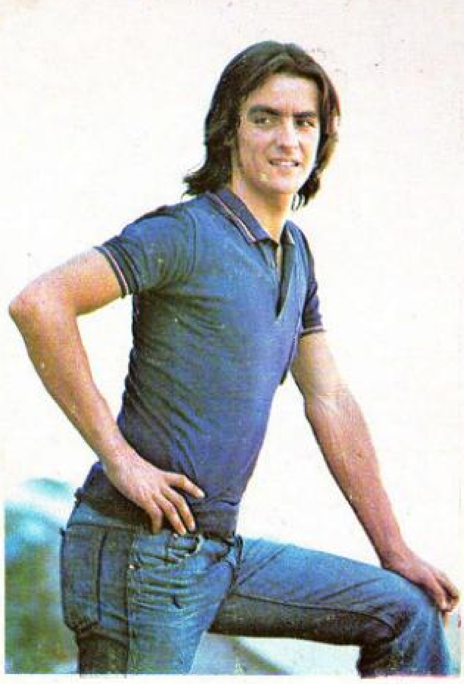

Pero Album "Estudio 3", ofrece en sus páginas otras sorpresas que serán de tu agrado. Un recuento del Festival de Viña de 1973, los cantantes nacionales más conocidos y las nuevas figuras de la Televisión, ¡ah...! y lo más importante para tí... ¡la historia de los instrumentos musicales, danzas populares y ritmos bailables para que tú aprendas como el hombre a través de los tiempos, descubrió la música y los bailes que hoy nos apasionan.

Te saluda.
